Problem-Solving

If I save £0.05 every day (normal year) how much will I have at the end of the year?

A concert ticket costs £200 initially, then it is reduced by 50%. What is its new price?

A Netflix subscription is increasing by 10%. If the current price is £6.00 per month, what will the new price be?

If there are 300 pupils in a school, and 145 are girls. How much are boys?
