Spring 2: Jesus – Man and God

We've seen how the Fruit of the Spirit shows how God helps us become more like the people he wants us to be and we've begun to see how Jesus is the perfect example of someone living as God wants. Jesus is fully man and fully God. As a man, he relied on the Holy Spirit to guide him. He took on the limitations of a human yet remained fully God – a unique person but one who totally understands what we go through. He brings God to us, living amongst us and drawing us closer to God so that we can become friends with God again through the cross and resurrection.
