

The haunted house

Haneen crept up to the huge wooden door and turned the handle. Sam and Sara slowly followed.

“I don’t think this is a good idea,” whispered Sam. “There might be ghosts!”

“Don’t be so scared,” answered Haneen. She bravely pushed the door open as she crept inside the haunted house. Sara took Sam’s hand and gave him a smile as they followed.

“It’ll be okay.” she said kindly. She was the one who always took care of everyone and wanted to make sure he wasn’t too frightened.
