

Year 5 Homework B - 15th November 2024

Remember to also have a go at TTRS or Numbots and practise your handwriting, Forgotten your login? Let me know!

Time

True
False

2 hours = 60 minutes

120 seconds = 2 minutes

1 hour = 60 seconds

Multiplication

$9 \times 9 = \underline{\hspace{2cm}}$

$9 \times 12 = \underline{\hspace{2cm}}$

$10 \times 9 = \underline{\hspace{2cm}}$

$7 \times 9 = \underline{\hspace{2cm}}$

$12 \times 9 = \underline{\hspace{2cm}}$

$9 \times 2 = \underline{\hspace{2cm}}$

$3 \times 9 = \underline{\hspace{2cm}}$

$1 \times 9 = \underline{\hspace{2cm}}$

$4 \times 9 = \underline{\hspace{2cm}}$

$11 \times 9 = \underline{\hspace{2cm}}$

$6 \times 9 = \underline{\hspace{2cm}}$

$9 \times 5 = \underline{\hspace{2cm}}$

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Multiples

Place the numbers into the correct part of the table. Are there any numbers which can go in more than one column?
Remember: Multiples are in the times table of the number.

12, 6, 27, 4, 15, 24, 18, 25, 10, 9

Multiples of 3	Multiples of 4	Multiples of 5

Factors

Find all the factors of 12 and 18 and put them in the Venn diagram.
