What is distinctive about St Bart's?

Our Distinctiveness

*"We begin, and continue,
with the end in mind"*

Our Distinctiveness

*"We begin, and continue,
with the end in mind"*

We see **every** member of
our school as being made
in God's image –
infinitely valuable and
worth personal
investment.

Our Distinctiveness

*"We begin, and continue,
with the end in mind"*

We nurture curiosity and
a sense of wonder about
big life questions and
our place in the universe.

Our Distinctiveness

*"We begin, and continue,
with the end in mind"*

We build character and
personal development
through performing arts,
physical education and
much more.

**Why do we put
relationships at the
heart of what we do?**

Our Relationships

All staff get to know every person as a unique individual – a unique representation of part of God's character.

This gives us an insight into what interests each child.

Our Relationships

Knowing the children,
and their interests helps
us to create a curriculum
that matches their needs
and find ways to expand
their horizons and
develop new talents.

Our Relationships

We work in partnership with parents, carers and wider families to provide the best experiences for every child.

This goes beyond the usual school day.

What should families do?
